

MAKIN' THE RIGHT MOVES

Top 5 actions to thrive in a rebounding economy

Our 9th Annual Free Workshop | March 19, 2010 | 8:30am - 11:00am

Presented By: American Institute of Management, Inc.

Our Sponsors: ■ FBG Service Corporation ■ Treynor State Bank ■ Papillion Sanitation

Get prepared to contribute to the long-term success of your company by aligning assumptions with reality and thoughts with action. As the economy rebounds, are you going to be ahead of your competition or chasing them? You decide.

At our 9th annual Gift to YOU workshop, learn to:

- Establish a series of powerful strategies to seize opportunities during downturns and position yourself for profits when the economy rebounds.
- Create a performance culture in which everyone acts decisively.
- Examine the key questions that executives must answer before they can begin to formulate an effective strategy.
- Manage the tensions that all executives face, profit vs. growth, long-term vs. short term, and whole vs. part.
